Form CR-H Instructions

Who is eligible for Homestead?

If you own and occupy your own property, you may be eligible for homestead treatment. Classification as a residential or agricultural homestead may make your property eligible for a reduced classification rate and/or a reduced taxable value, or may make you eligible for special program enrollment and the Property Tax Refund program.

You must have owned the property and occupied it as your primary residence by no later than December 1 of the current year to be eligible for homestead for taxes payable next year.

For manufactured homes assessed as personal property, homestead applications are due by May 29.

How to Apply

Complete the entire application fully and legibly. Mail the application to your _____ city assessor within 30 days of establishing homestead, but no later than December 15 of the current year to be eligible for homestead in the next payable tax year. For manufactured homes, the application is due by May 29 for taxes payable in the current year.

Applications do not need to be submitted annually in order to continue receiving homestead; however, the assessor may ask for an updated application at any time.

All owner-occupants and spouses who occupy the property must provide Social Security numbers and sign the form.

Required Attachments

If any owners do not occupy the property, you must furnish the assessor with the names and addresses of the owners.

If any spouses do not occupy the property, you must furnish the assessor with the names and addresses of the spouses.

If more than two owners occupy the property, please attach another form with the Owner/Occupant Information section completed.

Use of Information

The information on this form is required by Minnesota Statutes, section 273.124 to properly identify you and determine if you qualify for homestead. Your Social Security number is required. If you do not provide the required information, your application will be denied. If you provide your Social Security number thereafter, the effective date of the homestead classification may be delayed. Your Social Security number is considered private data for purposes of establishing homestead.

SSN/ITIN

An ITIN can only be used in situations where one spouse has a Social Security number and the other spouse does not. ITINs are not an acceptable alternative to Social Security numbers in any other case.

The Social Security number(s) you provide on this form will not be disclosed to the public, but may be shared among government officials for tax collection and administration purposes.

Penalties

Making false statements on this application is against the law. Minnesota Statutes, section 609.41, states that anyone giving false information in order to avoid or reduce their tax obligations is subject to a fine of up to \$3,000 and/or up to one year in prison.

If you falsely claim homestead, penalties may also be assessed in the amount of the tax that would have applied to your property had it not been considered homestead.
